### ***Directions to Vilafortuny, Salou from Barcelona Airport about 1 hours drive***

Telephone this number when you are about to leave (00-34) 977 816400 or mobiles 670293833 or 696096825 to advise of arrival time, also colour and the make of your car.

Small change ready for the toll booths approx 12 euros to Tarragona

When you leave the airport take the route signposted Barcelona, this is a motorway standard road and yes they drive quickly especially the taxis. The road is clearly marked with mostly overhead signs, look for blue signs marked Tarragona/Sitges the route number is C16 it also says Sitges via tunnels.

Follow this route without deviation, you will pass through a series of tunnels to the first tollbooth (peage). Next you will pass by the exits for Sitges, from there on the signposts will say Tarragona/Valencia. After a while you will arrive at the second tollbooth at Cunit, Another toll comes very shortly afterwards.

When you pass through, be very diligent as the road splits immediately, take the route marked Tarragona/Valencia the road number now changes to AP-7 autopista. The next and last toll is Tarragona, stay on the autopista and pass through the tollbooth direction Valencia/Castellon. Follow the route past the first exit marked Reus, take the next exit marked Salou.

Follow the road to Salou which is clearly marked, but be careful as there are several twists and turns and new roundabouts, should you take the wrong route it is difficult and disorientating to turn around. When you arrive at the outskirts of Salou (just past the Karting on your right), there is a new very large roundabout, with old olive trees and flowers in the centre of it. At this roundabout take the first turning right, drive for about one hundred meters and park in the inside lane, I will meet you at this point in a black BMW and take you on to the apartment which is only a few minutes away. If you have any problems on route or are delayed in any way please ring the above number to inform us of the new time of arrival, thank you and have a pleasant trip.
